## **\*\*\* SEWER REHABILITATION & WATER MAIN REPLACEMENT\*\*\***

Re: Jersey City Municipal Utility Authority, Phase 5 Sewer Rehabilitation and Water Main Replacement Projects – Installation of New Sewer & Water Mains, on **Belvidere Ave, between Duncan Ave & DEAD END.**

Dear Residents/Businesses of **Belvidere Ave, between Duncan Ave & DEAD END,**

This letter is to inform you that on **Tuesday, September 8<sup>th</sup>, 2020** Shauger Property Services, Inc. will initiate water main & sewer main installation on Belvidere Ave. This work will take approximately 8 weeks, weather permitting. In case of bad weather, work will be re-scheduled for the following day, excluding weekends and holidays.

Work will transpire during normal business hours, unless emergency situations require longer to return throughway to safe passage conditions. At this time, we ask that all vehicles be removed from the street while work is transpiring. Street parking is allowed after work completion each evening. Work duration of 8 weeks is predicated on no unforeseeable complications and subject to change. **No loss of service will transpire, without additional notification.**

While we are aware and apologize for the temporary inconvenience caused by the activities listed herein, this project only serves to improve the **Belvidere Ave.** infrastructure. The inconvenience is temporary, the improvements long-lasting.

We thank you for your understanding and can assure you that we will make all efforts necessary to make the project run smooth and efficiently. If you have any concerns, please do not hesitate to call our main office at 973-676-2100 and reference the Jersey City Municipal Utility Authority Phase 5 Sewer & Water Project – Belvidere Ave.

Shauger Property Services, Inc.
