Notice to Residents Seaview Ave Phase 3-4 Watermain Replacement Project and Sewer Replacement

Kindly be advised that Underground Utilities Corporation will commence the installation of a watermain Tie-In for the Phase 3-4 Watermain Replacement on Seaview Ave , for the City of Jersey City and the Jersey City Municipal Utilities Authority. Construction Operations will take place on **Monday 8/17/2020 at 9:00 PM Thru Tuesday 8/18/2020 until 6:00 AM** . Please note that receipt of this notice signifies that you are within an area to receive scheduled to be affected by the watermain tie in. We would respectfully indicate that during this time, residents within the affected area, may experience temporary delays in entering and exiting streets, walkways and driveways. Water service will be affected during this process. We apologize for this inconvenience and will do our best to accommodate all needs.

Parking will be prohibited within the construction Zone and Notices will be posted throughout the affected areas during the construction process. This is for your safety. Please be mindful of the working hours as specified within these notices. Our hours of Operation again are from **9:00 PM until 6:00 AM** Please be sure to have your car moved as stated upon the “Notices that are posted” within the construction area until the street is reopened. Cars within the work Zone will be Towed. We will do everything possible to accommodate you and a supervisor will be onsite to provide you with any further information you may require.

Remember that these construction improvements have been implemented by the City of Jersey City and The Jersey City Municipal Utilities Authority to provide all residents with the latest developments in public utility and water system standards. Through the installation of these upgrades the lives and well-being of the residents within the area will greatly be improved. We would appreciate your patience and understanding and would ask for your continued support throughout this endeavor.

Should you have any questions, comments or concerns please contact this office at your earliest convenience. Your safety is our main priority.

Very truly yours,

Thomas Corcoran
Sr. Project Manager, Estimator
